David Brock,

I've literally now blocked 313 Liberal Trolls with less than 50 Followers each and no pictures that have attacked me defending Jake Tapper.. I'm coming for you in 2018 you contentious Prick.. We're taking Media Matters DOWN! Someone has to! No More of this! #MAGA

Agree, the paid trolls are multiplying. The left is desperate, and Trump has driven them so insane with fear they are spending every dime they have to slow him down. Prez may single handedly break the commies financially. And they'll have nothing to show for it!

Awesome. Just blocked 5 Liberal Trolls calling the MAGA Movement everything from Nazi's to Children. There's only one Party in America that act like Children when they don't like what they hear. They're called Democrats

"It uses normally protected material and puts at risk our intell [sic] capabilities"..."This is unheard of- it is dangerous and it is irresponsible"

By this, he's referring to the use of "bogus" material to fraudulently obtain FISA surveillance on an American citizen...

Eric Holder @EricHolder
People must understand what is at stake by release of the bogus contrived Nunes memo: it uses normally protected material and puts at risk our intell capabilities in order to derail a legitimate criminal investigation. This is unheard of- it is dangerous and it is irresponsible

The Left has already worked harder in the last 8 hours to politicize a mass shooting, than they have in weeks on helping the Dreamers and DACA. They only care about politicizing not helping America. Pray for the victims and all those involved in Parkland, Florida. #parkland

You do realize that half of Sean Hannity's Tweets start this way, right? Who I'm friends with.. But let's be realistic here. Trying to downplay the Independent Media? The American People aren't buying it anymore. The Mainstream Media has lost the trust of The Republic.

@BritHume likes to pretend he's a journalist. Mostly just repeats what others already said with no independent research.

You think you have everything on the #parklandshooting ? How about the reports from students that there were multiple shooters?

Nothing more precious than watching home videos of your little ones reading, or learning. They grow up so fast. My thoughts and prayers tonight go out to everyone involved in Parkland, Florida. No one can ever understand what it's like to lose a child. God be with them.

Debbie Wasserman Schultz showed up to the Florida Shooting.. She didn't say respect the victims, she didn't say anything about Remorse, she didn't ask for prayers.. No... She started in on a Gun Control Rant, and attacking the NRA..

The DNC is literally an American George Soros

I don’t need to Boycott The View, that’s an easy No Go Zone.

I do however feel that Conservatives should target their sponsors the same way Media Matters does Sean Hannity, America First Media And other’s.. :-)

This Parade of Children, is making even some conservatives have second thoughts on the Second Amendment. This is bait and hook folks. People that don't have life experiences in the Military or Law Enforcement don't get it.

If they take away #2, then #1 will soon follow suit.

I have nearly a decade of experience in law enforcement. I stand with the kids. In 1996 we enacted gun control in Australia, and there have been zero mass shootings since. Fact.

You never had a constitutionally protected right to arms.

Reports are gun crimes are up in Australia.

Btw, over 13M bots follow Trump. How many do you think are following you? Most don't bother following liberals b/c they know most don't fall for all their wacky b.s. conspiracies, but they latch onto every MAGA & deplorable account b/c they know you'll fall for anything

Yes because these so called bots are self aware enough to argue with other people online and make actual rebuttals to other peoples arguments. A copout if I ever seen one. Just be honest and say youre afraid of being provem wrong Dont make up a preposterous justification

Oh No,

You mean the head of the NRA told the Truth and said the FBI dropped the ball in the Florida Shooting... That's right they did..

You know who else dropped the ball, Liberal Sheriff Israel, who's department fielded (36) 911 calls to the residence of Cruz..

That s right that liberal sheriff danced around that question Dana asked him. His department failed those kids, he shpuld be fired.

BREAKING NOW: There was an Officer a deputy assigned to the School in Parkland, Florida. He just resigned from his position..

Why? Because he didn't even go into the School during the Shooting, he sat outside and refused to engage..

Tell me again how the NRA is to blame?

Please tell me he wasn't a cop... if he is he should be fired... cowards always end up showing their true face... we had one guy at my sub station who was the only officer who chose not to respond when my partner and I were ambushed by gang members in 1993... a coward

The real question is... why was he REFUSING to engage? Perhaps... there is a bigger story here

I hate to break it to you, but no one chanting #BoycottNRA is an NRA Member. I'm a Lifetime Member, so is my Father.. They had nothing to do with Parkland, Florida.

This is nothing more than a Liberally motivated Agenda for Gun Control to usher in Socialism.

If you're a parent in Parkland, Florida...

It's time to bring your kids home, stop blaming the NRA, and Sue the living hell out of the Broward County Sheriff's Department.

I know a great Attorney who helps my Team, he's in Florida. Call Jared Beck Today!

FOUR.... Yes.... FOUR...

BROWARD COUNTY DEPUTIES WAITED OUTSIDE THE SCHOOL IN PARKLAND FLORIDA LIKE COWARDS WHILE CHILDREN WERE BEING MASSACRED.

They, along with this Pansy of a Sheriff should be PROSECUTED to the FULLEST extent of the Law. They took an Oath.

This type of protective gear is worn by SWAT teams and SpecOps. It is bulky and will take some time to put on. If Cruz was wearing this, where did he get it from and where is it? He was clean when arrested. Another RED FLAG!

If the FBI were focused on what they should be, and not sexting, Russia, colluding with the Clintons and DNC..

No telling how different the Florida shooting might have turned out.

Rod Wheeler went on the Sean Hannity show and talked about Seth Rich being the Leaker..

Within 24 hours Media Matters and David Brock tried to crucify and destroy Sean Hannity..

The next evening Sean Hannity came on and said he wouldn't talk about Seth Rich anymore.

Sean Hannity was the only conservative voice on a Mainstream Level that ever had the courage to talk about the Seth Rich Murder, and he was silenced

The powers that be are doing all they can to sweep this under the rug

America First Media won't stand for it

Why did Fox News and others Silence Sean Hannity from talking or speaking about Seth Rich?

They went after his Employer, his Sponsors, and literally shut him up.

This is the story the Left doesn't want out.

Because it destroys their narratives.

According to Joel Rich, Seth Rich was on the phone many times that night.

The only problem is that Joel Rich was told this information. This isn't Joel's fault, but he's being deceived by those around him.

Joel never had the cell phone records.

America First Media in the fall of 2017 would release the name of a so called Police Witness not known to the Public.

Her name.. Kristin Oland.

She had worked a decade with the CIA...

Was a Pilot

Was a Vet Tech

Worked in Navy Intelligence..

You know, normal stuff..

Why did so many people in Authoritative positions or involved in this Investigation visit the White House before and after the murder of Seth Rich?

Seth Rich also cancelled a White House visit on July 4th, but critics have claimed that was due to weather.. Was it?

Just think if people had talked about Seth Rich, who was MURDERED as much as they have the Florida Shooter Nikolas Cruz..

We need our Priorities reversed America.

Stop glorifying these monsters, and start focusing on American Heroes.

Whether you like guns or not.. The fact that those on the left would even consider repealing the Second Amendment, should show every blue collar hard working American what their intentions are!

This is why our founding Fathers put the 2A in the Constitution. To protect the 1st!

If you're willing to give up the 2nd amendment... be prepared to give up the rest of them as well!

Seth Rich was the DNC Data Director of New Voter Registration for the Democrats

He was NOT a "Staffer" as the Mainstream Media has reported repeatedly.

Why did Fox News and others Silence Sean Hannity from talking or speaking about Seth Rich?

They went after his Employer, his Sponsors, and literally shut him up.

This is the story the Left doesn't want out.

Because it destroys their narratives.

A judge in Massachusetts ruled that AR-15's are weapons of war & not protected by the 2nd Amendment.

The military doesn't use those....

And I don't care what is "ruled" by any court. "Shall not be infringed" are the only words I respect.

Want my AR? Come & take it.

I'm not a bot. I'm a conservative from a Northern California town who's embarrassed by our elected officials. Unfortunately most the time only democrats are even on the ballot. We do have an amazing assemblyman @ GallagherAD3 NOT A BOT

The WaPo is such a joke of a newspaper these days. Notice there is no information in the article that tells the reader how these supposed websites determine who is a bot, and who is not. Just because there is a big jump in a # being repeated? Ridiculous!

The WaPo is such a joke of a newspaper these days. Notice there is no information in the article that tells the reader how these supposed websites determine who is a bot, and who is not. Just because there is a big jump in a # being repeated? Ridiculous!

We've been telling you for months that the left is after the 1A and 2A. It's not fiction, it's not tin foil hat wearing nonsense.

They want to silence the 1st Amendment so that they can take the 2nd. And I'm doing so, if we allow it they will take both!

Will you stand & Fight?

Dems are calling for Fox to Fire Sean Hannity... why for having a conversation with an Attorney..

You law breaking morons are out of your damn minds.

Violating Attorney client privilege and making a mockery out of our judicial system that's what's happening America!

It is not about him having a conversation with an attorney, you are missing the point. He has a show where he publicly denounced Mueller for conflict of interest repeatedly demanding his removal without ever disclosing that Cohen was his lawyer which is a conflict.

If he wasn't his lawyer, then why does he need attorney client privilege?

Kimba Wood is the Judge in Michael Cohen's case who made Cohen expose Fox News Sean Hannity today.

She was appointed to Attorney General by the one and only Bill Clinton

She also officiated George Soros' wedding

Nothing more to see here just move along Patriots!

Um, Cohen wouldn't even be involved with a 'case' never would have faced this judge if a warrant hadn't been okayed by Trump appointees. So how does this conspiracy work again exactly?

After being offended by a shirt, a woman called the police to file a claim of a suspicious man in the park who was carrying a firearm (legally) and wearing an "offensive" shirt. It turns out that the First and Second Amendment offended this woman. #2A #NRA

When you see the Caravan of undocumented Illegals, we don't even know where they are from, or who they are..

You know why I'll be in Dallas, Texas this weekend with the NRA protecting the 2nd Amendment rights of ALL Americans.

The 2A isn't a suggestion

Matt, I would love to come, but I've already got an event scheduled in the Washoe County area that weekend. However I'm sure our Las Vegas-based Field Directors, @Forr_145 and @SebRougemont, would be happy to help out.

Would be an honor to meet them and have them be a part of this great event!

The final line in the Second Amendment says, 'The right of the people to keep and bear arms shall not be infringed.' That means not by the President, not by Congress.

For all of the brilliant liberals attacking our civil liberties and 2nd Amendment... Realize if they take the 2nd, the first is toast..

If you think a tyrannical government is going to let a defenseless people speak out against them, you're a special kind of stupid.

Liberals are notoriously emotional, hysterical and short sighted. They always imagine THEY are the ones in power when all of the guns are confiscated

BOLD and AGGRESSIVE move by @NRA to name Ollie North President of the National Rifle Assoc. If anti gun ninnies are criticizing the move, that means it was the right choice. Anti Second Amendment bigots only oppose people who are making a difference in preserving freedom. #MAGA

NEVADA,

Do NOT vote for Danny Tarkanian for the GOP Primary on June 12th for Congressional District 3.

Here's a look at who he supported, and it WASN'T President Trump!

You must vote for Michelle Mortensen, a True Conservative!

She's Pro Life, Pro 2nd Amendment, Pro Trump

Every time you open your mouth, the truth doesn't come out.

The NRA is the oldest Civil Rights group in America.

They stand for our rights, and 2nd Amendment rights per the United States Constitution.

President Trump signed $2 Billion dollars into school safety & education.

> **Cameron Kasky** @cameron_kasky
> So many of the NRA backed politicians fight much harder for guns than they do for schools. They'd rather the children of their state grow up to be armed than be educated
